Customer Reviews

This is a wonderful book for a Beatles fan. It has a great list of songs that covers all their albums. The only problem is a lot of the songs are in completely different keys than the ones The Beatles actually played. Not a huge deal breaker, but if you enjoy playing the songs along with Beatles' instrumentals or the actual Beatles CDs it can be very frustrating.

My granddaughter is 14 and loves the Beatles. She is learning, actually teaching herself to play the tenor sax. This is great inspiration. She was sooooo happy on Christmas day when she opened it.
