Synopsis

(DRUM PLAY-ALONG). Exact drum transcriptions to eight Radiohead classics. In addition to the complete song charts, drum-only charts are also provided. Plus, with the software on the CDs you can access three versions of each song: the full-instrumental sound-alike, a version without drums but with a constant click track, and a version without drums and without a click track. And you can also easily loop sections for practice, slow tracks down or speed them up without changing the pitch, change the key, and switch back and forth between track versions.
