## Customer Reviews

My nephew just received his first managerial promotion and I purchased this for him. He read it at his leisure at home and took it work. He has referred to it several times when he encounters a new challenge. He say rather than teach him something new, it reinforces his knowledge base. In the ebb and flow of the workday, these Quickstudy boards are a font of knowledge.

Just as it said it would be. I got it pretty fast. I'm happy with it & I'll use it as needed. Right now I have a class where we need to write a business plan, so I'll be able to use this quick study & learn it fast.

Excellent product.
